

Sinclair Broadcasting must not be allowed to force their stations to air biased and partisan material (disguised as "news") just days before the election.

This is a clear example of the dangers of media consolidation. Sinclair uses public airwaves free of charge, and is obligated by law to serve the public interest. Sinclair's actions demonstrate why we need to strengthen media ownership rules, not weaken them.

Please do everything you can to ensure that Sinclair lives up to their obligations to ALL American citizens. Thank you.
